PENNSYLVANIA WINS

Harvard Loses Football Game in Fierce Contest.

INDIANS BEAT WEST POINT

Cadets Lose Chance to Tie Their Game by Failing to Kick a Goal—Stanford Defeats California in Interesting Contest—Results of Other Games.

Philadelphia, Nov. 11.—Pennsylvania today defeated Harvard in one of the fiercest gridiron battles ever witnessed on Franklin field. The score was 12 to 6. Both elevens scored a touchdown and kicked goals in the first half, and the Quakers added the second touchdown in the second half. Both touchdowns in the first half were due to luck. The third touchdown was the result of hard clean football. Pennsylvania got the ball on Harvard's 45-yard line on exchange of kicks and pushed it over for a final touchdown, by straight line plunges in which there was a difference in the two halves. In the first half Harvard completely outplayed Pennsylvania and gained al-

most at will. In the second half the Crimson players made only one yard on the first down. The particular star was Levine, Pennsylvania's left end. It is no exaggeration to say he played the most remarkable game of football ever witnessed in this city.

STANFORD BEATS CALIFORNIA.

One Touchdown in First Half and Two in the Last.

Stanford University, Nov. 11.—Stanford defeated California today by a score of 12 to 5. But one touchdown was made in the first half, Stanford scoring on straight football. Each side made a touchdown in the second half, the ball being carried over the line in each instance, after sensational end runs. Stanford kicked her goal but California missed.

During the first half California lost the ball several times through fumbles on downs, and Stanford forced the ball over the goal by a series of straight line bucks.

In the second half, Snedigar, of California broke through the left end of Stanford's 45-yard line for a touchdown, but failed to kick the goal.

Toward the end of the contest Vandervoort made a brilliant 35-yard run to a touchdown, Dole kicking the goal, making Stanford's final score 12.

Indians Beat Cadets.

West Point, Nov. 11.—Failure to kick a goal caused West Point to lose today's game to the Carlisle Indians. With the score 6 to 5 in the Indians favor, West

Point missed the goal which would have tied the score, by less than six inches. Prince Louis of Battenburg was a spectator of the game.

Willamette Beats Multnomah.

Portland, Nov. 11.—Inability to punt and fumbles on the part of the Multnomah club eleven, lost the game to Willamette University today by a score of 4 to 0. Willamette's score was made on a field kick in the first half, by Fullback Rader.

Football Player Hurt.

Marshalltown, Iowa, Nov. 11.—Randall McCleod, left end of the Hamilton school football team was fatally injured in a game with the Marshalltown High school today. His intestines were ruptured during a scrimmage.

Varsity Wins

"U" Men Too Strong for the Farmer Boys.

Eugene, Nov. 11.—The Oregon University defeated the Oregon Agricultural College today in a well played game of football by a score of 6 to 0. Oregon's first score was made in the first half on a forty-five yard run to a touchdown by Smith, left end. Friessell then kicked the goal. Corvallis worked the ball to the varsity seven yard line late in the second half, but the line held and the ball was punted out of danger. C. H. Abercrombie of Astoria, refereed the game.

One More Victim.

Pacific Grove, Cal., Nov. 11.—As the result of injuries sustained in a football game in this place, John Meehan, a 15-year old boy, is dying. The lad's spine is fractured and the physicians state that there is no possible chance of his recovery. He is the son of Quartermaster Sergeant Meehan of the 15th United States infantry now on the way to Manila.

MAN BECOMES QUARRY.

Chicago, Nov. 11.—A dispatch to the Tribune from St. Cloud, Minn., says: John Janski, of this city, aged 22, is a human stone quarry. Fourteen months ago he was the victim of an explosion in a stone quarry and ever since then the doctors have been prospecting, every time with good results.

Four thousand pieces of stone have been removed from various parts of Janski's anatomy. A piece of granite weighing an ounce came out of his arm in an operation yesterday, and another of half an ounce weight was removed from the socket of his eye, which was lost in the explosion.

Four times a week Janski, without taking an anaesthetic, submits to the knife.
